

Wounded Shad Gerry McDaniel

Doll Eye View

Molded Eye View

This fly used a doll eye on one side of the fly and a molded eye on the other side of the fly. This caused the fly to lay on it's side like a wounded or dead fish. Dead drift this fly.

Hook: #4 Aberdeen or other 2xl hook

Thread: 6/0 White

Body: Silver tinsel or braid

Wings: 4 rounded feathers, 2 on each side, curve in toward hook shank

Flash: Pearl Flashabou

Eyes: Molded eye on one side and a doll eye on the other. Glued with superglue or UV cured adhesive.
