 Conservation Director

Gerry McDaniel  
 Education Director

All I can say is, "Wow!", what an amazing Mystery Fly for Cancer Tournament we helped with on November 21st! I'm so proud of all the DCFF members who participated, volunteered, and welcomed all the guests from other clubs!

Reel Recovery is such a great cause and its continued success relies on many of you. Thanks to all of you who gave your time and talents to make this year's event the best ever. Ruby Gordon's dedication and passion for Reel Recovery make it easy for us to join her efforts in assuring the mission continues. A special thanks to our own George Tipker for taking the lead on behalf of DCFF. He spent countless hours to make sure everything went off without a hitch. He has an amazing talent in making sure every detail is covered!

The fishing and weather conditions may not have been perfect, but I think everyone had a great time! It was one of those activities where we got to know one another better, meet some new friends and enjoy a day in the outdoors.

On a separate note, please be thinking about some outings or trips you would like to organize for the upcoming season. Our trip coordinators are getting a little burned out. We need fresh ideas and some help in offering different opportunities to our club members. You can reach me at: [brian@derbycityflyfishers.com](mailto:brian@derbycityflyfishers.com).

I hope to see you on the water soon, Brian

## **BIG PROGRESS** **Use of DCFF Web Page**

Our web site, [derbycityflyfishers.com](http://derbycityflyfishers.com), has been re-engineered and rebuilt. It will now be easy for you to use it to pay any amounts owed to DCFF. Further, a very competent guy, Wes Krupiciwicz, has taken over the management and

## 2016 Kentuckiana Fly Show

The Derby City Fly Fishers will host its 11th Annual Kentuckiana Fly Show on Saturday, **January 23, 2016**, from 9:00 am until 5:00 pm. This year's show will be held at a new location in Shepherdsville, KY at the Paroquet Springs Conference Center. Please be there and enjoy!

Paroquet Springs Conference Center is located at 395 Paroquet Springs Drive, Shepherdsville, KY 40165-0520. That is only 12 miles further down I-65 than Fern Valley Hotel, our former location for this show. Paroquet Springs is larger, nicer, and better for parking, a beautiful venue that is conveniently located just off the Interstate. Food for lunch and snacks. You may check the Paroquet Center at their webpage which is <http://paroquetsprings.org>.

Requests for sign-ups for booths have been sent to vendors and other participants. Please supply your responses for booths to Jim Bearden, our Show Director, by using the [derbycityflyfishers](http://derbycityflyfishers.com) website. Thank you.

Jim Bearden

## PROJECT HEALING WATERS FLY FISHERS

The Healing Waters organization is a large charity which works with clubs like ours to support and improve the lives of soldiers and veterans through helping them to learn fly fishing in all of its aspects.

Larry Drake, our manager of this activity announces that changes in how the U.S. Army utilizes Fort Knox, make it necessary for DCFF to conclude its activities there. That activity will end in December, 2015. In recognition of the activities provided at Fort Knox, the following people are granted a Certificate of Appreciation:

Larry Drake	Stuart Emery	Jim Bearden
Lois Johnson	Gerald McDaniel	Jack McGuire
Joan Norman	Mary Pat Emery	Clinton Gray

Thanks from all of us to each of them for their efforts, their travel, and the expenses they have incurred in so representing Derby City Fly Fishers.

Activities at the Louisville Veterans Hospital twice each month to teach and practice fly fishing, fly tying, rod building, and all other requirements of our sport will continue. Members who are interested in participating are still very welcome. Just contact Larry Drake at phone 502 287 8836, or any of the folks mentioned above.

**Larry Drake**

### Newsletter Director, Doug Stull

Derby City Fly Fishers continues to grow well and to help people learn and enjoy fly fishing, fly casting, knots and what to use them for and how to tie them, and to support several charities, and to just provide lots of fun. All for \$20.00 per year per member or \$25.00 including the family. We hope you are enjoying it all!

Your comments good and bad are welcome. A report from you on one of your outings would interest other club members. Also, I would like to hear from you about fishing-related things that you do or that you experience or perhaps hear about. Please give me your pictures and information at least a week before month end. Handing them to me or sending to the above email address will work fine. Thanks! Happy fishing!

Doug
